

DEFENCES–REGISTRATION

1. Prepared for the planned defences, via WEBEX, will be server obhajoby.fei.tuke.sk for submission of titled theses, while the structure of the directories will be as follows:
 - 1st level:** BC. defences, Masters' defences, Doctorands' defences
 - 2nd level in the frame of the defence:** division by departments
 - 3rd level within the frame of department:** alphabetical list of student for the given defences
 - 4th level in the frame of the student:**
 - a. Final thesis**
 - i. Folder for uploading the thesis, any attachments to it, and the defence presentation
 - ii. Each student has access only to the folder with his name, where s/he has the rights to write and read
 - b. Presentation**
 - i. Folder for uploading the thesis presentation
 - ii. Each student has access only to the folder with his name, where s/he has the rights to write and read
 - c. Personal folder**
 - i. The folder for supporting documents (list of marks/grades, opinion of the supervisor, opinion of the reviewer, etc.)
 - ii. Only the study department and the relevant department have access to the folder.

Access will be secured by logging in via a **unique login and password** that employees within the university have. Generated for the committee external members will be temporary logins and passwords, so it is important that the departments provide email contact of external members to Ing. Popovec. (peter.popovec@tuke.sk).

Students will enjoy the **right of access** solely to their respective folder along with the rights to write and read. If necessary, they are encouraged to contact Ing. Popovec.

The members of the committee will have the right to access all the folders of the given department. The members of the committee will have the right to **read / write**. The study department will have the right to access all folders with **read / delete / write** rights..
